Staff Evaluation Committee

The School Committee unanimously voted Monday night to organize a committee to formulate a staff evaluation instrument with written instructions for implementation by the school administration next September.

As proposed by teacher evaluation sub-committee member Frank England, the committee

will be comprised of three members from the community with knowledge of evaluation techniques, one member of the school administration, two teachers, and one School Committee member. Committee member Diana Kornet was designated as the board's representative on the committee.

England felt the committee should address objectives, attributes, and the strengths and weaknesses of personnel in drawing up the new evaluation form. Kornet said she hoped to report back to the School Com-

mittee by the end of July with the completed form.

Committee Chairman Jack Langmaid said that residents interested in becoming a member of the committee should contact him at 383-6433.

Nice Try

Cohasset made a valiant effort to unseat South Shore League girls tennis lead Duxbury last week but was repulsed, 4-1, giving the Dragons a 9-0 seasonal mark leaving runnerup Cohasset at 7-2.

Sue Pottenger won her singles match, 6-2, 6-1, to avert a sweep by the Dragons.
